

About Satish Gajawada:

Satish Gajawada is the son of Prabhakar Gajawada and Bhagyamma Gajawada.

Satish Gajawada is a kindnesspringer and received “Beautiful Spirit Award” from a kindnesspringer. He was selected as “Community member of the week” out of 1 lakh kindnesspringers for a particular week. He also received many other awards from kindnesspringers like “Super Kindness Hero Award”.

Satish Gajawada is the author of "Economics Of Everything", "Artificial Human Optimization - An Introduction" and many other articles. Satish Gajawada understood the essence of all the books at a very short age. Satish Gajawada loves his mother very much. Satish Gajawada authored the quote - "Service to MOTHER is equivalent to Service to mankind". Satish Gajawada was educated by world class experts like Dr. Ankush Mittal, Dr. Durga Toshniwal, Dr. Kumkum Garg, Dr. Manoj Misra and many other teachers, friends and family members.

In December 2016, he proposed a new field titled "Artificial Human Optimization" which comes under Artificial Intelligence. This work was published in "Transactions on Machine Learning and Artificial Intelligence". He received a SALUTE and APPRECIATION from IEEE chair Dr. Eng. Sattar B. Sadkhan for his numerous achievements within the field of science. He completed his studies from world class institute “Indian Institute of Technology Roorkee (IIT Roorkee)”.
